MEMORANDUM FOR: Real Estate and Construction Division
Space Maintenance and Facilities Branch

ATTENTION :

SUBJECT : Sound-Proofing of Walls and Installation of
Dutch Door

1. It is requested that the two walls within Room 514B, 1717 "H" Street, be sound-proofed and two door locks be replaced with locks for night locking inside of the room. Dimensions of the two walls to be sound-proofed are 12' long x 8 $\frac{1}{2}$ ' high and 19' long x 8 $\frac{1}{2}$ ' high. This work is requested to eliminate the noise from the two adjoining rooms.

2. Replace corridor door to Room 515 with a Dutch Door. The lower section of the Dutch Door to have a ten inch shelf at the top. Both sections of the door are to be covered with expanded metal inside the room. Provisions provided for securing top section to the lower section of the door. The combination lock on the existing door is to be transferred to the new Dutch Door.

3. This work required by Physical Security.
